ABOUT US

Upvats lifesciences Pvt. Ltd. is a joint venture of two vastly experienced pharmaceutical companies as 'Premier Drug House' and 'PharmaKing Pharmaceuticals Pvt Ltd' whose epitome of success is delivering quality of drugs to its customer with 100% efficiency and results.

Both partner companies have four decades of experience in the pharmaceutical industry with the former specializing in API exports and sourcing and the latter having rich experience in manufacturing pharmaceutical formulation and efficient global distribution.

Together, In Upvats LifeSciences Pvt Ltd work to establish a global presence in the pharmaceutical industry as we pursue our goal of becoming a Top-Tier pharmaceuticals producer by offering superior quality of products at an affordable price range.

Our strengths are :

- High quality products
- Flexible responsive service
- "Just In time" delivery approach
- Competitive pricing
- Excellent compliance record
- Efficient technical transfers
- Modern GMP Certified facilities
- FDA approved site
- Strong Regulatory support
- Efficient inventory coverage

Our Manufacturing facilities that have been approved by international regulators such as W.H.O. - GMP & EU - GMP. We also possess certifications such as ISO amongst others.

A robust product portfolio comprising of medicines spread over major therapeutic areas (including Antibacterial, Antimalarial, Antiviral, Antifungal, Oncological, Antitubercular, Erectile Dysfunction, Antidepressants, Antipsychotic, NSAID, Painkiller, Analgesic, Anesthetic, Antiallergic, Anti-diabetic, Antiemetic, Anti-asthmatic, Antacid, Anti-biotic, Cardiovascular, Antihypertensive & Dermatological, and many more)

A product output comprising of nearly all dosage forms and categories consisting more than 500+ products

ORAL SOLIDS

Our broad portfolio offers a variety of instant and modified release solutions offer a range of oral tablets and capsules.

We have product outputs that include nearly all types of dosage forms and are spread across major therapeutic areas such as Antibacterial, Antimalarial, Antiviral, Antifungal, Oncological, Cardiovascular, Antihypertensive, Anesthetic, and many more.

Our high-quality and precisely formulated products enable you with the exact release properties you desire

Dextromethorphan Hydrobromide Diphenhydramine Hydrochloride,	Paracetamol, caffeine

CAPSULES

Dexamethorphan Hydrobromide , Diphenhydramine Nimesulide ,caffeine	Dihydrochloride , diphenhydramine Hydrochloride And Caffeine
Montelukast Sodium , Levocetirizine	Chlorpheniramine Maleate , Cetirizine Hcl
Pantoprazole 40mg	Fluconazole IP 150 mg
Esomeprazole Enteric Coated And Domperidone Sustained Release	Pantoprazole Enteric Coated And Itopride Sustained Release
Doxycycline IP 100mg	Loperamide IP
Pantoprazole Sodium IP 40mg And Domperidone IP 30 Mg	Omeprazole USP
Pregabalin IP	Lansoprazole IP
Omeprazole Delayed Release USP	Fluoxetine IP
Piroxicam IP	Sildenafil and Dapoxetine , Diclofenac Sodium And Pyridoxine Hydrochloride
Sulphide BP 50 mg	Lansoprazole And Domperidone
Vitamin B complex with Cyanocobalamin Capsules	Ferrous Fumarate with Folic Acid

OINTMENTS

Our team has created a broad range of semi-solid formulations which are suitable for a variety of applications.

Our ointments provide the best and most effective absorption possible thanks to our efficient and advanced dermal drug delivery system.

While at the same time we ensure that our creams and ointments are dermatologically tested safe and mild on skin, passing through multiple quality benchmarks.

VETERINARY RANGE

As vital as improving human health is, we are also committed to enhancing and improving animal health.

Our goal is to become one of the most reliable companies with regards to the veterinary formulations by offering good quality products at affordable prices.

With regards to animal health, our line of veterinary products promotes health and prevention of disease in Livestock & Poultry. We believe that the health and well-being of farm animals like sheep, goat, cattle, swine etc. is essential for improving the quality and productivity of the Livestock.
